I am e-mailing in reference to my concern about the transmission project.

I am Debbie Fawkes-Neely and my property (77 Acres) borders I-25 on

East Hatchet Ranch. I think that the plan that makes the most sense and has the least impact on residences and property owners is the 230 KV Line Corridor just East of the railroad tracts.

I-182-001: Route Refinement > Calumet-Comanche (In Review)

Your email/letter/comment form has been received and your comment noted. Route refinement for the proposed project and mitigation measures will be addressed in the Environmental Impact Statement. The Environmental Impact Statement is anticipated to be completed in late 2010 and will be available at <http://www.usda.gov/rus/water/ees/ea.htm>.
